

Parking Information

The parking passes are available for lots B,C D and the parking lot under LR Wilson Building (indicated on the map in orange and the LR Wilson building is highlighted yellow). You can see the full campus map at this link: <https://parking.mcmaster.ca/app/uploads/2020/11/Campus-Map-2018-90X39-01.pdf>

How the Parking Voucher Works

When you enter the parking lot the machine will issue you a white ticket. Hold onto this (either in your purse or your car). Please, let us know which lot you are parked in. We will give you a voucher that looks like your ticket. When you are exiting (you can either do this at the exit gate or at the pay station):

1. Insert the ticket you got when you entered the lot
2. Insert the voucher we gave you
3. If you are at the exit gate, the arm should lift, or if you are at the pay station, it should return your original ticket marked as paid for you to use when you exit.

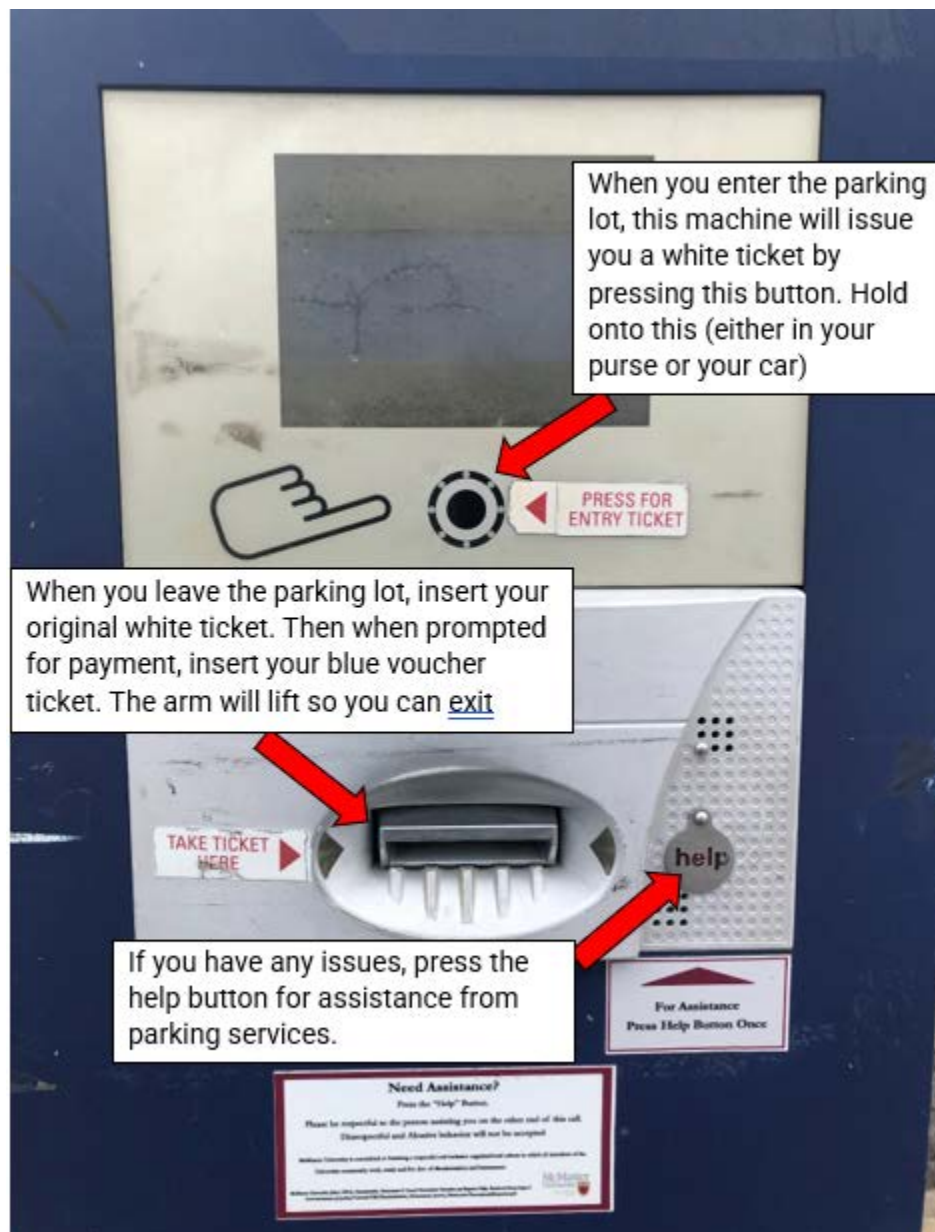

White Ticket Example

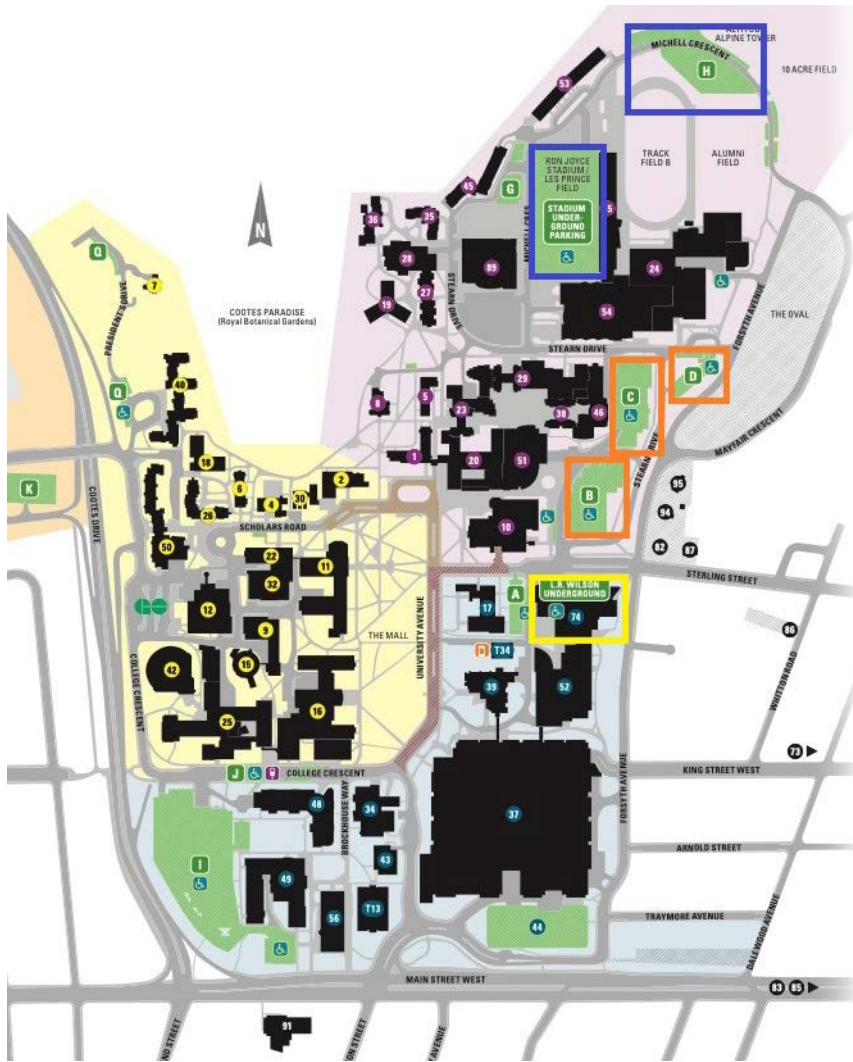

Voucher Ticket Example

When you are leaving, if you have **trouble, press the help button** and parking services should assist you.

Bus Route

For transportation, there are bus stops for BOTH East and West bound busses at the corner of Sterling and Forsyth. The 1, 5, and 51 all stop there.
